

IMPROVING COMMUNICATION SKILLS

IMPROVING COMMUNICATION SKILLS

ABOUT THE PROJECTS

✦ We started the project with 9 teachers including six Turkish and three foreign teachers. Our students are socialising, sharing ideas and informations, improving language skills

The project will help them

To use English practice via certain tasks
To improve their language and communication skills
To interact with foreign people
To share ideas freely
To be creative and productive
To be more self-confidence

The Activities in December and January

1) Creating Logo

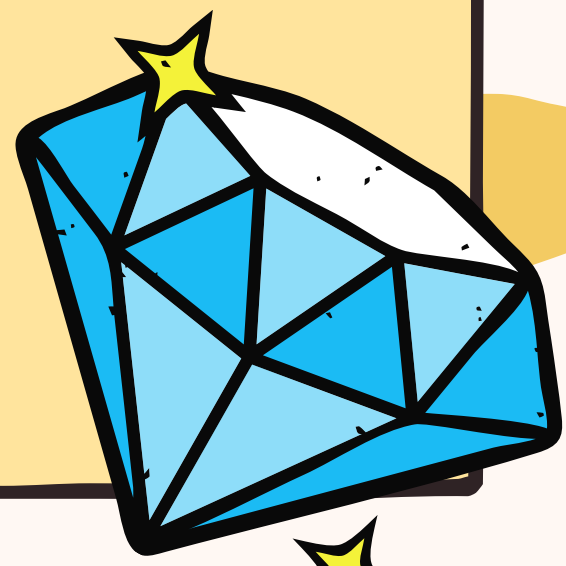

Students prepare logos for their schools by using Canva and determine their school logos with surveys.

2) Creating Forum

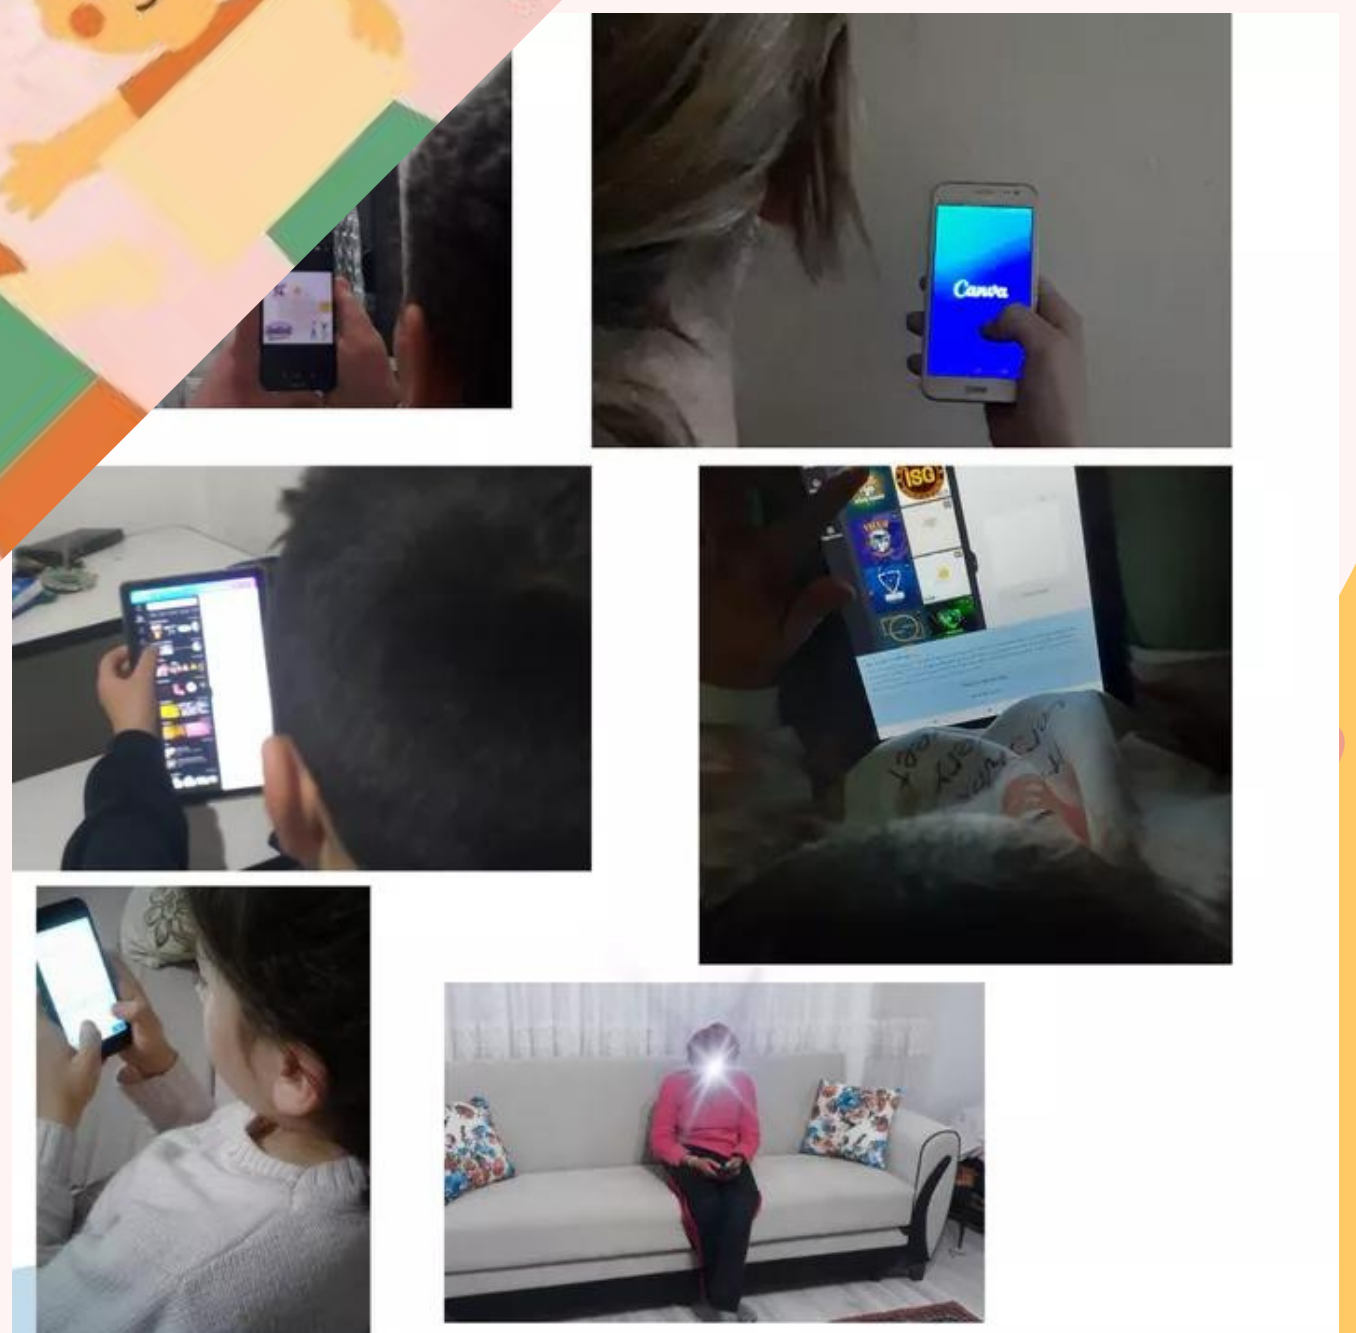

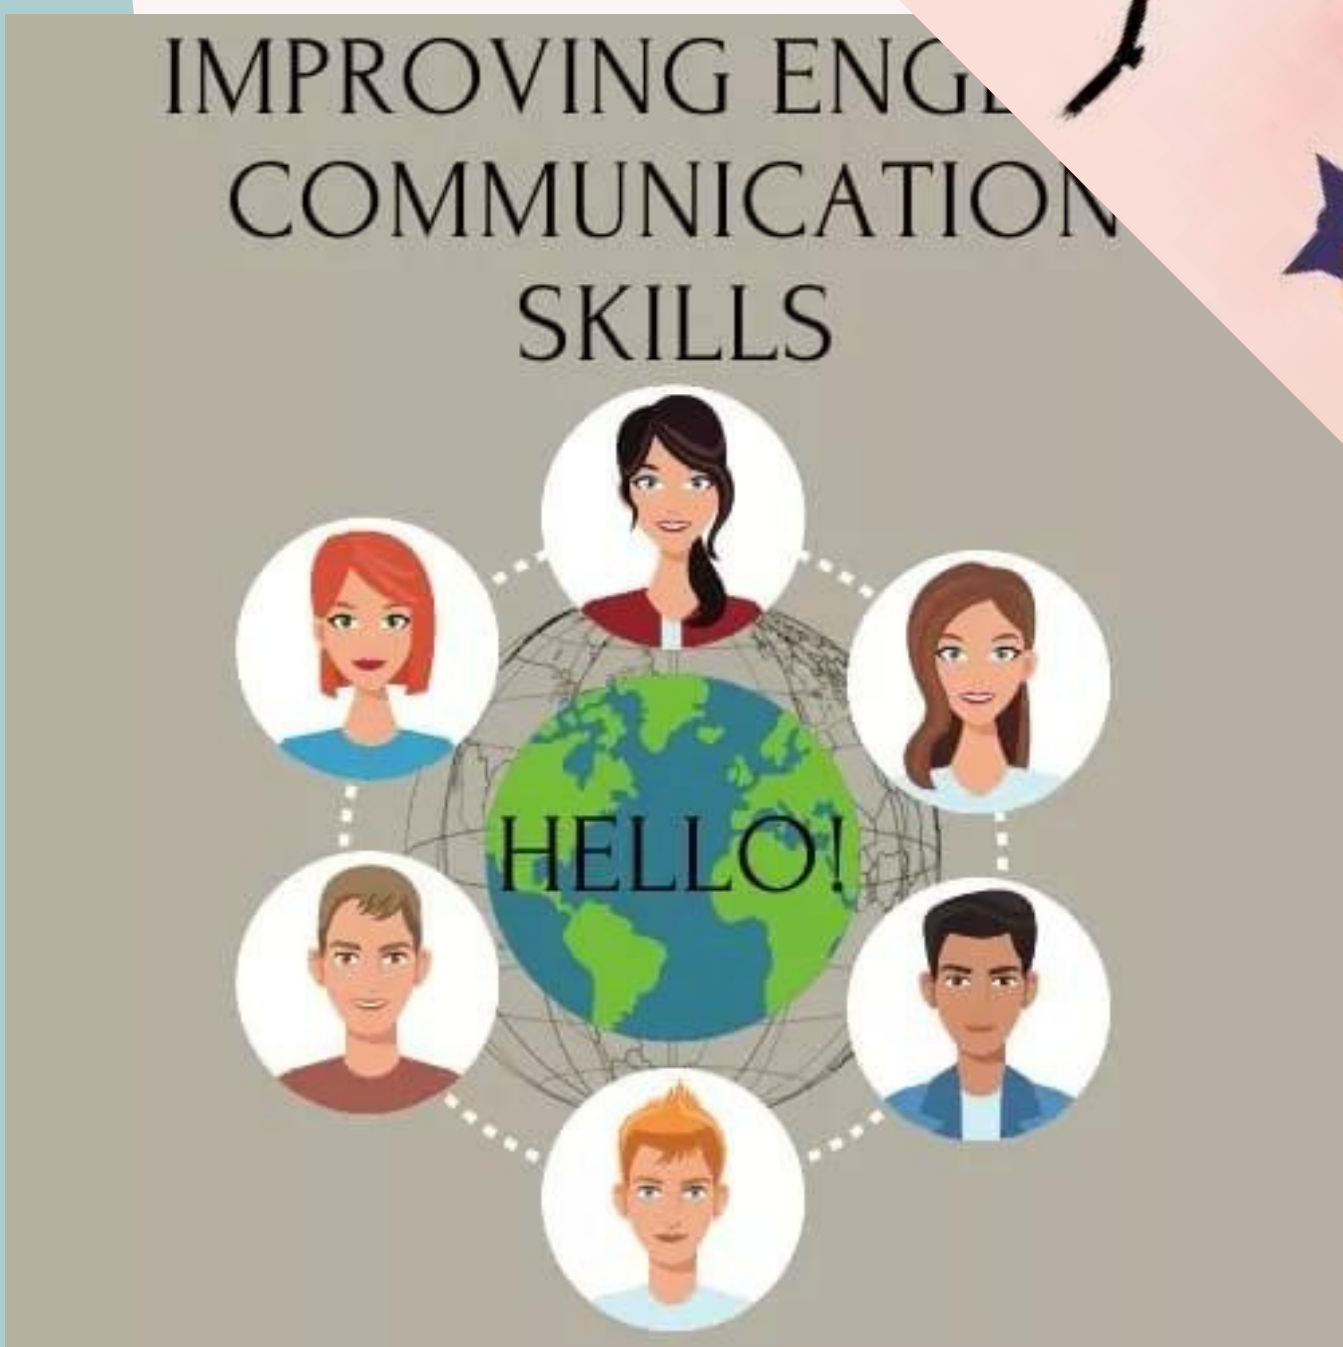

Students write the forum. They introduce themselves. They talk about their country, age, , school, hobbies etc.

3) Creating E-Card for Christmas

Students create E-Cards for the the new year. They use Web2 Tools "Canva" and "Inshot"
